Re: Record Request

Mr. Yarbrough,

The Marion County Sheriff's Office received your request for the case report from September 2020, the date you were booked in, what block you were in, when you were sent to Esksenazi Hospital and your medical records.

We are currently getting a cost for the copies of those records and will send a follow up letter with the total amount to be paid.

Sincerely,

Marion County Sheriff's Office

On October 12, 2020, Lt. Ward interviewed Yarbrough and showed him photo arrays of each inmate who was in block 2-F during the incident. This consisted of 30 inmates. When inmate Yarbrough flipped over the preceding picture, he identified subject number #4 on line up #153355 as an aggressor in the assault. Subject number #4 was Kavon Donaldson. Yarbrough continued through the photo arrays and stopped on line up #152037. He identified subject number 2 as a participant in the assault. Subject number #2 was Delance Hatcher. Yarbrough continued through the photo arrays and stopped on line up #156081 and identified subject number #2, Lasean Watkins. The fourth and final person Yarbrough identified as participating in the assault was subject #1 in line up #156086, Collin Hurt. Yarbrough believed Hurt was the fourth individual but had some doubt. He stated a large white male kicked him in the ribs but continued to hesitate on whether Collin Hurt was involved in the assault.

Affidavit for Probable Cause

Lt. Ward received copies of Yarbrough's medical records on October 29. Yarbrough sustained trauma to his head resulting in a laceration to the left front side of his scalp and loss of and root fracture to his front teeth. Yarbrough had bilateral rib fractures and multiple contusions to his chest and face. Yarbrough was discharged from Eskenazi Hospital on October 8, 2020, and returned to the Marion County Jail.

All events occurred in Marion County, State of Indiana.
